

2026 TRAINING SCHEDULE

Troy Gauthier – Chief of Training 300 N Dugas Road Lafayette, LA 70507 337.291.5506

January 2026

Code of Ethics Training for Public Servants

Class Title: Code of Ethics Training For Public Servants

Location: Fire station

Instructor: Via Computer

All LCG employees are required to complete Ethics training yearly. This can be done via the internet at <https://eap.ethics.la.gov/EthicsTraining/login.aspx>.

Please forward your 2026 Ethics certificate and the Acknowledgment Form to the Assistant Chief. To ensure current records are maintained on all employees, it is the responsibility of the Assistant Chief to provide the Training Division with the certificates. The deadline for completion of this class is January 31, 2026.

PPM 2161-22

ETHICS POLICY-CODE OF GOVERNMENTAL ETHICS

EMPLOYEE ACKNOWLEDGEMENT

I acknowledge and certify I have fully read and reviewed the ETHICS POLICY-CODE OF GOVERNMENTAL ETHICS Policy and Procedure (PPM 2161-22) dated 8/1/19 and agree to adhere to the policy as written.

Dept / Div

January 2026 Preventing Sexual Harassment

Class Title: Preventing Sexual Harassment

Location: Fire Station

Instructor: Via Computer

All LCG employees are required to complete Sexual Harassment training yearly. This can be done via the internet on a city computer at <http://lcgweb/humanresources/default>.

Please forward your 2026 Sexual Harassment certificate to the Assistant Chief so it can be forwarded to the Training Center for record-keeping. The deadline for completion of this class is January 31, 2026. You will also be required to sign an acknowledgment form.

Effective January 1, 2019, Act 270 requires all public employees and elected officials to complete at least **one hour** of education and training on preventing sexual harassment each year. All public supervisors are required to complete **two hours** of education and training on preventing sexual harassment each year. This training will also guide how to report an incident that is experienced or witnessed.

Human Resources will follow the same procedures that have been established for Ethics Training. Online training is available on the Human Resources Intranet page. You can access their page using this link: <http://lcgweb/humanresources/default>.

PPM 2161-20
SEXUAL HARASSMENT
EMPLOYEE ACKNOWLEDGEMENT

I acknowledge and certify that I have completed required training and fully read and reviewed the SEXUAL HARASSMENT Policy and Procedure (PPM 2161-20) dated 4/1/2003 and agree to adhere to the policy as written.

Q0462 An Introduction to the Incident Command System (ICS-100)

Course Information

Type: Online

Duration: 2.0 hours

Course Details

Online Content

Description

ICS 100, Introduction to the Incident Command System, introduces the Incident Command System (ICS) and provides the foundation for higher-level ICS training. This course describes the history, features and principles, and organizational structure of the Incident Command System. It also explains the relationship between ICS and the National Incident Management System (NIMS)

The course was a collaborative development between the Emergency Management Institute, National Wildfire Coordinating Group, U.S. Department of Agriculture, and the United States Fire Administration.

January 2026 Drill

Class Description: Drill of the different fire attacks utilized by the Lafayette Fire Department.

Q0463 Basic Incident Command System for Initial Response (ICS 200)

Course Information

Type: Online

Duration: 4.0 hours

Course Details

Online Content

Description

NOW AVAILABLE REVISED Q0463 COURSE 5/2020 RELEASE!

This intermediate-level course is a web-based, self-study, interactive equivalent to NWCG I-200. This course integrates the NIMS guidelines and meets the NIMS Baseline Training Requirements using an all-hazards, all-agency approach. It is the second in a series of courses designed to meet all hazard, all agency NIMS ICS requirements for operational personnel.

This course was developed by the U.S. Fire Administration's National Fire Programs Branch, in partnership with the FEMA's Emergency Management Institute, the U.S. Department of Agriculture, and the National Wildfire Coordinating Group (NWCG).

November 2026

Origin and Cause I

Class Description: Determine the area of origin by utilizing our knowledge of fire behavior, information gathered from witnesses and occupants of the structure, as well as analysis of the physical evidence found during examination of the fire scene. Determining the "fire cause" through a sequence of events enables us to identify the source of ignition and how the fuel comes together.

Class Title: Origin and Cause I – Scene Investigations

Location: Webex

Instructor: To Be Determined
